

J.D. Blackfoot and Yonder Music Group are proud to announce the re-release of three classic J.D. Blackfoot albums on **VINYL**

The Ultimate Prophecy - The Song of Crazy Horse - Live In St. Louis

This 50th Anniversary, Collector's, Limited Edition, Autographed and Numbered release will be numbered **1** through **499**, and sold through this mail-in offer.

2024 will mark the 50th anniversary of the American release of The Song of Crazy Horse. In celebration of the continued success of all three of these albums we are thrilled to announce their re-release on vinyl again.

If you would like to reserve a special number you can do so by leaving us a private message on J.D.'s Facebook page, which you should type in as J.d. Blackfoot, or email a message to sales@jdblackfoot.com.

Each of the three albums will have cover art especially designed for this Collector's Limited Edition, and be autographed and numbered before the plastic wrap is applied.

For those of you that would like to keep your Collector's Edition Vinyl un-opened, we are offering you the ability to purchase an original edition of each album with cover artwork that more closely resembles the original artwork.

If you have questions please leave us a private message on our Facebook page, J.d. Blackfoot, or send an e-mail to: sales@jdblackfoot.com
